From limited opportunities with offspring numbers (average of 53 foals per season), Charge Forward is a quality stallion and is very underrated. He has produced top line fillies such as Group 1 Winners Response and Headway, followed by top racehorses Slightly Sweet, Solar Charged, London Lilly, Cavalry Rose and Urban Groove who could have been anything. He is very much a sire of fillies.

This filly is very typical of the sire and I have always wanted to get one. I had a crack at one at the Classic Sale, however she made far too much money. In hindsight, she didn't have a pedigree anywhere near as good as this filly that is on offer to you.

Charge Forward is a Champion Broodmare Sire in the making having produced Estijaab and Sunlight.

50% is already sold so be sure to be quick, as everything that you have seen throughout the 2019 Yearling Season is pretty much sold!!!

Group 1 Winners
Amphitrite and Slek Chassis

I am confident she will be paying for herself as she retires and be making profits on the track. I loved her and I love training these type of fillies to maximise their value
