

Day Two Of The Championship Is Here and Pfieffer Racing Has Two Live Chances

Pfieffer Racing continues to be on track for a record breaking season as David currently has 32 winners to his name as he heads into Day 2 of 2019 “The Championships”, where it could potentially be a big day for the stable as they search for a Group 2 Double. With four months left in the season, Pfieffer only needs 8 more winners to have his best season. No doubt with the likes of up and coming star Prophet’s Thumb and consistent stable star I Am Excited racing this weekend, they could put him an edge closer to being in the top 15 trainers of the state.

I Am Excited Goes For Her Second Group 2 Win

Consistent and honest mare I Am Excited lines up this Saturday in the Group 2 Tab Sapphire Stakes over 1200m with Blake Shinn in the saddle as she chases her second Group 2 win to add to her impressive resume as she works towards the Queensland Winter Carnival for some Group 1's.

Her campaign has been very good where this time in her races have been spaced out with the QLD Carnival always in the back of the team's mind. Her first up run came in the Group 3 Triscay where she carried top weight and worked home impressively where the professionals said that she shouldn't have finished that close under that handicap. Then came her second up run in the Group 1 Galaxy where the track was very much not in her favour, however the tough and honest mare all while dipping and sliding up the home straight still ran home for a credible 6th.

I Am Excited heads into the race in good order this Saturday where she's very much on track for her race and her campaign for the Queensland Carnival. With plenty of speed on in the race, it will no doubt be setting the race up for the flying back marker and fingers crossed we see her unleash her impressive turn of foot to take out another Group 2 for a much deserved win.

Randwick 1100m Track Record Holder Prophet's Thumb Looks To Bounce Back

Up and coming stable star and Randwick 1100m Track Record Holder Prophet's Thumb looks to bounce back this weekend in the Group 2 Arrowfield Sprint with Jason Collet back in the saddle. After what was an understandable below performance last start on Slipper Day due to the track conditions, Prophet's Thumb has had the three weeks in between runs and is ready to fire to prove that she is one to watch and one for the 2019 Spring Carnival.

A raw filly who is still improving with each and every run, it's scary to know that we have still not seen the best of her as she has not once had a clear passage of running to wind up and go through her gears.

With a good barrier and plenty of speed on in the race, the race very much sets it up nicely for Prophet's to wind up and go through her gears down the outside as the team look to race the filly towards the rear of the field.

A Must Have Zoustar Filly Joins The Stable For 140K

Lot 240 (<https://inglis.com.au/sales/info/2019+Australian+Easter+Yearling+Sale/catalogue/240>) from the 2019 Inglis Easter Yearling Sale joins the stable after Pfeiffer Racing couldn't resist getting his hands on this quality filly. A quality filly with a pedigree to match, Pfeiffer has been chasing Zoustar's progeny non stop since the day he was underbidder on boom 3yo Sunlight. There's no doubt he's a quality stallion who's getting better and better with time and immediately when Pfeiffer inspected this filly, he had to have her as he thought it was Sunlight herself as a yearling with that strong shoulder, deep girth, strong gaskin and big back end.

After being crowned Champion First Season Sire Of Australia last year, Zoustar is set to take Champion Second Season Sire Of Australia along with Champion 3yo Sire Of Australia. There's no secret Zoustar is simply on fire and is simply a gun stallion who can do no wrong. His first ever impressive crop of progeny include the likes of Sunlight, Lean Mean Machine, Zousain, Charge, Persuader and unbeaten gelding Zoustyle. Other key progeny who have no doubt been unlucky also include Madam Rouge and Mizzy. He's just a gun who is known to produce tough and ultra consistent progeny. The filly was purchased for 140k and has a page to match full of top Group 1 and black type performers as 2yo's and onwards.
